

Provider Agreement - Draft

Independent provider terms, compliance, services, 15% commission and payouts

IMPORTANT: Draft only. This document is not legal advice. It must be reviewed, corrected and approved by an Israeli lawyer before publication, signing or use with customers, providers, property owners, hosts, insurers, payment providers or regulators.

1. Independent provider status

Provider is an independent service provider, not an employee, agent, partner or franchisee of PetWash Ltd. Provider controls availability, services offered, service area and pricing subject to PetWash minimum price, safety and compliance rules.

2. 15% platform commission

PetWash commission/platform fee is 15% of applicable provider service value, not 20%, unless a written management-approved update changes the rate.

3. Provider obligations

- Maintain accurate identity, tax, insurance, bank and service information.
- Keep business/tax status updated and reconfirm every six months.
- Carry insurance where relevant and understand PetWash is not an insurance provider.
- Perform services safely, legally, professionally and in accordance with booking details.
- Use the platform for booking, communication, evidence and payment unless PetWash authorizes otherwise.
- Promptly report incidents, injuries, escapes, property damage, customer disputes and safety concerns.

4. Pricing and availability

Provider may set prices and availability, but prices cannot be below PetWash minimums or be obviously abusive/fraudulent. PetWash may reject, hide or review pricing that damages brand, safety or legal compliance.

5. Payouts

Payout is subject to completed service, required invoice/receipt, valid provider compliance, no blocking dispute, verified bank account and PetWash audit rules. PetWash may hold, offset, delay or block payout where required for fraud, chargeback, legal, safety or tax review.

6. Suspension and termination

PetWash may suspend or terminate provider access for expired documents, unsafe conduct, fraud risk, customer complaints, off-platform diversion, breach of law, breach of terms, insurance/tax issues or reputational risk.
