

Privacy Policy - Operational Draft

Data, privacy, database, consent, sharing and rights framework

IMPORTANT: Draft only. This document is not legal advice. It must be reviewed, corrected and approved by an Israeli lawyer before publication, signing or use with customers, providers, property owners, hosts, insurers, payment providers or regulators.

1. Data collected

- Identity and contact details.
- Pet profiles, health/safety notes and photos.
- Provider documents: ID, tax, insurance, bank confirmation, certificates.
- Bookings, payments, receipts, QR scans, support tickets, messages and incident evidence.
- Location/GPS when needed for station, booking, walking, delivery or fraud prevention.
- Device/IP/audit logs and marketing preferences.

2. Purposes

- Provide the platform, app, wallet, rewards, QR and station access.
- Match customers with providers and process bookings.
- Protect pets, users, providers and property.
- Prevent fraud, process payments and manage payouts.
- Comply with law, tax, bookkeeping, privacy, safety and dispute obligations.
- Send transactional and optional marketing messages where consent exists.

3. Sharing

Data may be shared with providers, payment processors, QR/Nayax/payment systems, hosting/cloud vendors, accountants, legal advisors, insurers/claim reviewers, support vendors and authorities where lawful and necessary. Sensitive pet or medical data should be minimized and shared only when necessary for the service or safety.

4. Rights and retention

Users should have access, correction, deletion/closure, marketing opt-out and data export request channels, subject to legal/accounting/safety retention obligations. Records required for fraud, tax, incident, audit or legal defense may need to be retained.
