

Customer Terms of Service - Draft

For customer app, Prestige loyalty, wallet, QR, bookings, stations and shop

IMPORTANT: Draft only. This document is not legal advice. It must be reviewed, corrected and approved by an Israeli lawyer before publication, signing or use with customers, providers, property owners, hosts, insurers, payment providers or regulators.

1. Parties and platform role

These Customer Terms govern access to PetWash Ltd services, including the website, customer app, Prestige loyalty/rewards, wallet, QR membership card, station use, bookings with providers, online shop and support systems. PetWash may act as marketplace operator, booking/payment facilitator, station operator, loyalty provider or seller, depending on the specific transaction.

2. Customer obligations

- Provide accurate personal and pet information.
- Keep login, QR card and wallet secure.
- Use only in-platform booking/payment where required.
- Disclose pet medical, behavioural, bite, aggression, escape, allergy and medication information honestly.
- Follow station safety instructions and provider safety requests.
- Do not harass, threaten, bypass, defraud or solicit providers off-platform.

3. Pets and safety

Customer confirms that all pet information is accurate and complete. For any pet with bite history, aggression, severe anxiety, illness, open wound, recent surgery, contagious condition or medication requirement, PetWash may require special approval, refuse service, redirect the booking or require a professional provider.

4. Booking and payment

All prices, fees, VAT treatment, discounts, reward credits and cancellation policies must be shown before payment. Booking is only confirmed when payment/authorization is successful and, for provider services, when the provider accepts the booking.

5. Cancellation and refunds

Cancellation rights, refunds and credits depend on the service/product type, provider cancellation policy, statutory consumer rights, machine fault evidence and timing. PetWash must display applicable policy before checkout and keep a booking-specific record.

6. Wallet, QR and rewards

Wallet credit, wash credits, rewards and QR/barcode access are account benefits, not bank deposits or credit cards. PetWash may freeze, replace or revoke a QR card for suspected misuse, fraud, technical issue or security risk.

7. Limitation and exclusions

To the maximum extent permitted by law, PetWash is not responsible for customer misuse, inaccurate pet information, provider misconduct outside platform rules, off-platform arrangements, undisclosed pet conditions, unsafe premises or events outside PetWash reasonable control.

8. Governing law

These Terms are intended for Israel and must be finalized by Israeli counsel. Israeli law and competent Israeli courts should be reviewed as the preferred governing framework.
