

Provider Host Premises Addendum

For providers hosting pets or performing services at their own premises

IMPORTANT: Draft only. This document is not legal advice. It must be reviewed, corrected and approved by an Israeli lawyer before publication, signing or use with customers, providers, property owners, hosts, insurers, payment providers or regulators.

1. When this applies

This addendum applies when a provider hosts or provides pet care at the provider's own home, premises, yard, vehicle, salon, shop or other place controlled by provider.

2. Host representations

- Provider has legal right to provide pet-care services at the premises.
- Landlord, building, municipality, zoning, insurance and household rules do not prohibit the service.
- Premises are safe, secure, clean and suitable for the accepted pets.
- Doors, gates, yards, balconies and windows are secure.
- Other animals, children, hazards and visitors are disclosed.
- Provider maintains emergency plan and vet contact.

3. Host risk controls

- Upload premises photos where required.
- Declare maximum pets at same time.
- Declare if other animals or children live at premises.
- Confirm insurance covers home-based pet care where required.
- Do not host pets with incompatible animals unless separately approved.
